### **INDEPENDENT AUDITORS' REPORT**

TO THE BOARD OF TRUSTEES OF A LEG TO STAND ON NEW YORK, NEW YORK

We have audited the accompanying statements of financial position of A Leg To Stand On ("ALTSO"), a non-profit Organization, as of December 31, 2008, and 2007 and the related statements of activities, functional expenses and cash flows for the years then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of A Leg To Stand On as of December 31, 2008 and 2007, and the changes in net assets and cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Berger & Zelin LLP New York, New York March 9, 2009

### A LEG TO STAND ON, NOTES TO FINANCIAL STATEMENTS

### Note 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### Activities and Operational Information

A Leg to Stand On ("ALTSO") was incorporated on April 23, 2002 in the State of New York and is committed to helping transform the lives of children with limb disabilities in developing countries by offering them the physical capabilities and self-esteem required to access education, work, and other community opportunities. ALTSO works in partnership with the local communities.

ALTSO transforms the lives of disabled children through the use of corrective surgery and the provision of prosthetic limbs.

In December 2002, ALTSO received approval to be treated as a non-profit organization under Section 501(c) (3) of the Internal Revenue Code and therefore is exempt from federal income taxes on related income. As such, no provisions for income taxes have been made in the financial statements.

### Basis of Presentation

ALTSO's policy is to prepare financial statements on the accrual basis of accounting using generally accepted accounting principles.

Donated materials are recorded at their fair value as of the date of gift. In the absence of donor imposed restrictions, gifts of long-lived assets are reported as unrestricted revenue.

### Cash and Cash Equivalents

ALTSO considers all highly liquid investments with maturities of three months or less when purchased to be cash equivalents.

### **Receivables**

Receivables are stated at the amount management expects to collect from outstanding balances. ALTSO considers receivables past due or delinquent when payments have not been received in a timely manner, and receivables are written off when management deems the possibility of collecting amounts due as completely unlikely. ALTSO closely monitors outstanding balances for all receivables and adheres to a standard set of protocols for collection activities to be undertaken at certain times based upon delinquency status. At December 31, 2008, management considers all receivables to be collectible. As such, an allowance for doubtful accounts has not been established.

### **Depreciation**

Property and equipment are recorded at cost for financial reporting purposes and depreciated using the straight line method over their estimated economic useful lives of three to six years.

### Functional Allocation of Expenses

The costs for providing various programs and activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

### **Donated Services:**

ALTSO benefits from volunteer services in program, fundraising, and administrative duties from Board members and other volunteers. Even though these contributed services are valuable to ALTSO and help to advance ALTSO's mission, no amounts have been reflected in the financial statements for contributed services inasmuch as such services do not meet the criteria for recognition in the financial statements under SFAS 116, nor do they create or enhance nonfinancial assets.

### Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

### Net Assets

The financial statement presentation follows the requirements of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, Financial Statements of Not-for-Profit Organizations. Under SFAS 117, ALTSO is required to report information regarding its financial position and activities according to three classes of net assets: Unrestricted net assets, temporarily restricted net assets and permanently restricted net assets. A description of the three net asset categories is as follows:

Unrestricted net assets have no donor-imposed restrictions.

Temporarily restricted net assets have donor-imposed restrictions that will expire in the future. Temporarily Restricted Assets as of December 31, 2008 amounted to \$118,000 restricted to programs in developing countries.

Permanently restricted net assets have donor-imposed restrictions which do not expire. There were no permanently restricted net assets at December 31, 2008.

### Note 2. PROPERTY AND EQUIPMENT

Property and equipment consist of the following:

Equipment	\$	1,770
Furniture and Fixtures	<u></u>	303
	\$	2,073
Accumulated Depreciation		(1,596)
Property and Equipment, Net	\$	477

### Note 3. COMMITMENTS AND CONTINGENCIES

### Leases:

ALTSO is obligated under a noncancellable operating lease expiring December 31, 2009 at 267 Fifth Avenue, New York, NY. The minimum monthly payment is \$ 1,575 a month. The lease includes rent, telephone, utilities and internet access.
